

## RYCO SLIDER™ Hose Branding Update

As part of RYCO's continuous improvement initiative, this product information bulletin is an update on the RYCO SLIDER™ hose branding format.

The RYCO SLIDER™ hose has been supplied with a Mylar tape branding format. We have experienced occasional adhesion issues with the Mylar tape used on the RYCO SLIDER™ hose.

As an interim measure, the RYCO SLIDER™ hose will be supplied with an ink branding format.

We will resume Mylar branding once the adhesion of the Mylar tape is guaranteed.
