

RYCO CLEAN Kit

The RYCO CLEAN Kit is an easy to use, low-cost solution to eliminate hydraulic contamination from the inside of hose, tube, and pipe. It is designed to clean the internal surfaces of hose, tube, and pipe effectively and efficiently. It comprises of a pneumatic hand launcher, an adaptor ring, and a range of specially designed nozzles to accommodate different sizes of hose, tube, and pipe.

The optimum air input pressure range for the RYCO CLEAN Hand Launcher to operate effectively is between 87 psi (6 bar) and 110 psi (7,5 bar).

RYCO CLEAN Hand Launcher Kit

Part Number: RCPS-HLK

Includes:

- 1 x Pneumatic hand held Launcher
- 1 x Adaptor ring
- 1 x Tough case
- 10 x nozzle to suit ¼" – 2" ID hose, tube and pipe

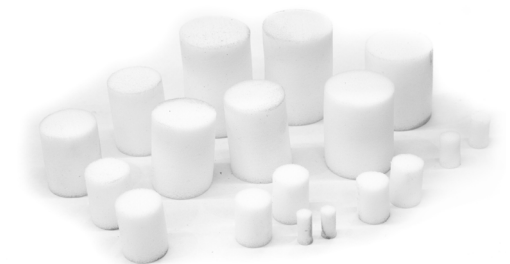

Features & Benefits:

- Light-weight ergonomic design
- Easy to use and operate
- Pneumatic pistol-grip Launcher
- Multiple nozzle sizes to suit a range of hoses, tubes and pipes
- Heavy-duty carrying case for added protection

RYCO CLEAN Projectile Starter Kit

Projectile starter kit contains a selection of popular projectile sizes to suit popular hose, tube and pipe sizes. They are sized to be approximately 15% larger than the internal diameter of surface to be cleaned. The compression of the projectiles against the internal wall cleans the internal surface and expels any loose contaminants from the end of the hose, tube, or pipe.

It is recommended that projectiles are discarded when used once to achieve an optimal cleanliness level.

Features & Benefits:

- Kit made up of pack quantities from each of the most common projectile sizes.
- Comes in UV-stable bags to avoid deterioration and discoloration of projectiles.
- Re-sealable bag to prevent contamination from getting in.

RYCO CLEAN Projectile Starter Kit

Part Number: RCPK-0332

NOZZLE GUIDE & PROJECTILE SELECTION CHART

Hose Size			Recommended Nozzle Part Number	Recommended Projectile Part Number	Nominal Projectile Size
mm	inch	Dash			
6	1/4	-04	RCN-06	C7-300	7
8	5/16	-05	RCN-08	C10-300	10
10	3/8	-06	RCN-10	C12-300	12
13	1/2	-08	RCN-13	C16-300	16
16	5/8	-10	RCN-16	C20-300	20
19	3/4	-12	RCN-19	C22-300	22
25	1	-16	RCN-25	C33-50	33
32	1.1/4	-20	RCN-32	C40-50	40
38	1.1/2	-24	RCN-38	C50-40	50
50	2	-32	RCN-50	C60-30	60

Other projectile sizes, types and grades available upon request.

Multi-Purpose Projectile Range

For complex assemblies and hoses with fittings to eliminate fine particles of contamination.
