

DEPARTMENT OF DEFENCE

DEFENCE ACCREDITED SUPPLIER

The Quality System of

RYCO HYDRAULICS

has been audited by
Quality Assurance staff of the Department of Defence
and complies with Australian Standard:

AS3902/ISO9002

The Plant locations and the types of supplies or services for
the Department and the Australian Defence Force
for which this audit was carried out are shown on the
Defence Register of Accredited Suppliers

Signed

R E McLAREN
Director General
Defence Quality Assurance

16 JUNE 1993

The Defence Register of Accredited Suppliers is issued twice-yearly to Registered Suppliers.
